Principal’s Message
Dear Parents/Caregivers

Unfortunately with the forecast wet weather this morning we have had to reschedule our School Cross Country. It will now be held this Friday morning from 9.00am until 11.00am at Memorial Park. Volunteer parent helpers are to contact the front office if now unable to assist on Friday.

DHS Open Night
A reminder to Yr 6 parents that Deniliquin High School will be holding their Year 6-7 transition information evening and open night on Wednesday 27th May.

The evening will be held in the Deniliquin High School Multi-Purpose Hall, commencing at 6.00pm.

The Acting Principal Mr Peter Astill, a number of executive teachers and the Year 7 Advisor, Miss Jessica Burton will be in attendance. The session is anticipated to take approximately 1 hour.

Growth Leadership Coaching
Miss Kerry, Mrs Dudley and myself enjoyed two very valuable training days last week at a Leadership Coaching Workshop.

The Growth Coaching Leadership training was a great opportunity for our school leaders to acquire strategies, skills and tips to support existing leadership programs within our school to maximise the capability of our staff and students.

Sporting News
Best wishes to Cooper Willoughby, Raymond Murphy and Felicity Jefferies who will be involved in representative sporting teams this week. Cooper and Raymond will compete at the NSW PSSA State AFL Championships in Sydney whilst Felicity will be striving for selection in the Riverina PSSA netball team at trials to be held in Wagga Wagga.

We wish all three students the best of luck with their sporting endeavours.

Maths Resource Room Revamp
Huge thanks to Mr Sharpe for his hard work and organisation in revamping our school Maths Resource Room. New equipment has been purchased and existing resources collated and stored to ensure our students have access to the necessary resources to support their numeracy learning.

Creative Catchment Kids
Taryn Gardam, Leilani Smith, Sophie Perrin and Aydan Matthews attended a recent CCK workshop, focussing on how to develop a school reader based on a Local Land Hero who is managing a pest species in our region. As well as completing a book this year, the CCK team will be involved in a field trip. The Creative Catchment Kids program is an initiative of Wirraminna Environmental Education Centre, at Burrumbuttock and is supported by the Murray Local Land Services.

Over 60 schools from the Murray and Riverina regions are involved in this engaging initiative.

Lost Property
I extend an open invitation to all families to drop into the front office and ‘inspect’ the large amount of lost property (jumpers, hats etc) that has been collected over the first few weeks of Term 2.

The containers are bulging with items of all sizes.

Enjoy your week.

Regards

Greg Danckert
Principal
